

Stop Behavior & Learning Problems Quickly with Revolutionary QRI Technology

Meet Alex

"Alex no longer struggles at school. He is able to control his emotions without becoming mad or scared out of no where. Alex is not clumsy anymore and finally learned how to ride a bike. I was very worried about my son and QRI changed that. He is happy now."

- Emily, Mother

**Increases
Focus &
Attention**

**Reduces
Meltdowns**

**Improves
Coordination**

**Decreases
Behaviors**

QRI Technology combines the powerful effects of cold laser, sound, and reflex integration techniques. It matures an individual's nervous system for quick, visible results.
